

REMARKS

Claims 1-52, 54, 55 and 68 have been canceled. Claim 53 has been amended to include the limitations formerly recited in claims 54 and 55. The Examiner has indicated that former claims 55 - 62 were dependent on a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claim 56 was amended to delete reference to a previously cancelled claim.

It is submitted that claims 63 - 67 should also now be found to be allowable since they are now dependent on an allowable base claim (claim 53 as amended).

Conclusion

The Applicant submits that this application is in condition for allowance. Reconsideration and allowance of the application is respectfully requested.

Respectfully submitted,
